A Perfect Setting for a Special Day

Chatswood Golf Club & Clubhouse

Chatswood Golf Club is uniquely surrounded by national parklands, whilst our function room “Lilians” is comfortable and overlooks the magnificent golf course, gardens and lake. Whether it is a Seminar or Golf Day, the dedicated Clubhouse and Pro Shop staff at Chatswood Golf Club can cater for your corporate event.

We currently offer seminars for up to 140 guests seated in your choice of seating style with numerous options for lunch and refreshments throughout the day. Start with morning tea on the expansive balcony and delight your guests with our breathtaking views.

We are also fully equipped to meet the needs of your Corporate Golf Day. We have capacity for groups of up to 120 players with a shotgun start. Follow your day on the course with a prize presentation and BBQ Buffet served to your table.

We look forward to meeting you and to having the opportunity to help make your corporate event a truly memorable occasion

Corporate Golf

Course

Located on the picturesque shores of the Lane Cove River, Chatswood Golf Club is surrounded by lush greenery and local wildlife. An 18-hole, par 65 course, it is enjoyable for all standards – whether you are a scratch marker or a beginner!

Format

We can accommodate groups of up to 120 guests on course in a shotgun start format. We recommend playing an Ambrose Event in which all players in the group hit each shot and

the best shot is used until the ball is holed out. This format of play is equally enjoyable for all standards of players and assists in the speed of play. However, our staff can assist you in deciding the most appropriate format depending on your time constraints and the ability of your golfing group. We offer golf days for 9 holes – typically taking up to 2.5 hours, and 18 holes – typically taking up to 5 hours.

Your golf day starts with preparation of scorecards and player registration, followed by player briefing by one of our PGA Accredited Professionals.

Professional Shop

Mark Sullivan, 2002 NSW PGA Club Professional of the Year, was appointed Head Professional at Chatswood Golf Club in May 2011. Mark has a very experienced team including Senior Assistant Professional Greg Lynch. The Pro Shop carries a full range of golf equipment including clubs, buggies, clothing, shoes and accessories. Either of our PGA Accredited Professionals are available for on-course coaching for \$200 per 9 holes. They will guide your golfing teams through the course, offering helpful tips and coaching advice for the duration of play.

Novelty Events

Novelty events such as “nearest the pins”, “longest drive” and “out-drive the Pro” are available with a variety of prizes to choose from – bottles of wine, golf balls and golfing merchandise being popular prizes. We can also organise winners’ trophies and Club gift vouchers.

Corporate Functions

Lilians on Beaconsfield

Our private function room, Lilians, is bright and expansive with floor-to-ceiling windows and views out over the course and Lane Cove National Park. Lilians can accommodate up to 120 delegates in cabaret, classroom or theatre-style, or up to 40 delegates in a U-shape style facing the projector screen.

Inclusions:

- Whiteboard and markers
- Lectern
- Microphone
- Overhead projector
- Projector screen
- Laptop
- Sound system

Menus

We have an array of menus available within our various catering packages, starting with our Conference Menu. However, the Functions Consultant and Chef are more than happy to design a specific menu and package to suit your needs. Contact us to see our other catering menus.

To allow us to give the necessary time and thought to your requirements we ask you to finalise your menu at least 7 days prior to your function.

Special dietary requirements must be advised when final numbers are submitted and identification of guests requiring these meals provided in the seating plan.

Parking

We have ample car parking space available. Guests attending corporate events may utilise the Members' car park adjacent to the Clubhouse, where available.
